Message from the President

On behalf of all of us at WGU, I want to congratulate you on your graduation. We recognize and respect the hard work and sacrifices you have made to complete your degree, and we hope that you find a way to celebrate this important milestone in your life.

We share your excitement and pride in this achievement—one that has the potential to make a real difference for you, your family, and even future generations. As you join the ranks of the more than 120,000 WGU graduates, we hope you will stay in touch through our Alumni Relations.

Again, congratulations and all the best,

A handwritten signature in black ink that reads "Scott D. Pulsipher". The signature is written in a cursive, flowing style with a long horizontal line extending to the right.

Scott D. Pulsipher, President
Western Governors University

Candidates for degrees whose names appear in this program were applicants for graduation as of January 1, 2018 – June 30, 2018. These documents should not be taken as official record that degrees have, in fact, been awarded.

Our Mission

The principal mission of Western Governors University is to improve quality and expand access to post-secondary educational opportunities by providing a means for individuals to learn independent of time or place and to earn competency-based degrees and other credentials that are credible to both academic institutions and employers.

Our Promise

We help our students achieve their dreams for a degree and career success by providing a personal, flexible, and affordable education based on real-world competencies.
