Message from the President

Message from the President

Dear Graduates,

On behalf of all of us at WGU, I want to congratulate you and welcome you to our commencement celebration. We recognize and respect the hard work and sacrifices you have made to complete your degree, and today is your day to celebrate this important milestone in your life.

We share your excitement and pride in this achievement—one that has the potential to make a real difference for you, your family, and even future generations. As you join the ranks of the more than 200,000 WGU graduates, we hope you will stay in touch through the Alumni Network.

Again, thank you for joining us today. We are so grateful for the opportunity to share this day with you and your loved ones. Congratulations!

A handwritten signature in black ink that reads "Scott D. Pulsipher". The signature is written in a cursive, flowing style with a long horizontal line extending from the end of the name.

Scott D. Pulsipher, President
Western Governors University

Candidates for degrees whose names appear in this program were applicants for graduation as of January 1, 2020 - June 30, 2020. These documents should not be taken as official record that degrees have, in fact, been awarded.

Our Mission

The principal mission of Western Governors University is to improve quality and expand access to post-secondary educational opportunities by providing a means for individuals to learn independent of time or place and to earn competency-based degrees and other credentials that are credible to both academic institutions and employers.

Our Promise

We help our students achieve their dreams for a degree and career success by providing a personal, flexible, and affordable education based on real-world competencies.
