Content Evaluation Guidelines: Evaluation of Eligibility

Master of Arts in Teaching, Mathematics Education (Middle Grades)

A transcript evaluation is completed once official transcripts from all relevant degrees and coursework have been received by WGU. Please note that transcripts must be sent to WGU directly from the issuing institution to be considered official. WGU does not accept unofficial transcripts or perform unofficial evaluations. Transcripts must be received prior to your initial term start date.

WGU provides two pathways for entrance into our Master of Arts in Teaching programs. Pathway 1 is completion of a related degree. Pathway 2 is completion of an unrelated degree with sufficient coursework in the content area of the intended area of licensure. The specific requirements for admission via either pathway into the Master of Arts in Teaching, Mathematics Education (Middle Grades) program are outlined below. The degree or coursework necessary to meet these requirements must be completed prior to admission.
