# WGU LEAVITT SCHOOL OF HEALTH

## High-Quality Programs Creating Skilled Professionals

The Michael O. Leavitt School of Health at WGU aims to advance health equity by adding competent professionals to the workforce, yielding improved patient outcomes and addressing health and nursing shortages across the United States. With more than 20 competency-based, affordable programs in health and nursing, the school expands access to high-quality education, thereby creating an impact on the health landscape of the country, one student at a time.

## Accreditation

**NWCCU**  
NORTHWEST COMMISSION ON  
COLLEGES AND UNIVERSITIES

The baccalaureate degree program in nursing, master's degree program in nursing, and postgraduate APRN certificate program at WGU are accredited by the Commission on Collegiate Nursing Education (<http://www.ccneaccreditation.org>).

# \$100 Million

(ReNEW Fund)

The \$100 million Reinvesting in Nursing Education and Workforce (ReNEW) Fund helps aspiring nurses with financial barriers by covering the final two years of WGU's Bachelor of Science in Nursing (Prelicensure) program, including labs and clinical placements.

# \$18.6 Million

in scholarships  
(Fiscal Year 2025)

In fiscal year 2025, the Leavitt School of Health awarded more than \$18.6 million in scholarships for students enrolled in various health and nursing programs.
