

5 Ways To Get the Most Out of Your ACHE Benefits

Welcome to the American College of Healthcare Executives! As part of the ACHE community, you have access to exclusive networking and learning opportunities to support you in your healthcare leadership journey. Here are some tips for getting started.

Expand Your Professional Network

Connect with colleagues in your area. Your ACHE benefits automatically connect you to your local ACHE chapter. Search our Member Directory for colleagues by location, area of expertise, job level and other criteria. Explore our diverse communities, forums and networks. Log in to my.ache.org to get started.

Increase Your Knowledge

Make lifelong learning and professional development a priority with our innovative educational offerings. Available in a variety of formats including in-person events, virtual interactive sessions, live webinars and on-demand courses, all ACHE education is offered at member-only pricing. Visit www.ache.org/Education to find your next opportunity.

Manage Your Career Goals

Explore the Career Resource Center to access self-assessment tools, receive feedback on your resume and interview skills, search for open positions and plan your career journey. Head to www.ache.org/Careers to get started.

Access Your Publication Resources

Check out our bi-monthly member magazine, *Healthcare Executive*, which explores daily challenges industry leaders face. Peruse our peer-reviewed journals, our online bookstore for the latest titles exploring best practices and current trends and enjoy member-only pricing on print editions. Go to www.ache.org/Publications to discover more topics of interest.

Mark Your Calendar for Congress on Healthcare Leadership

Plan to attend this premier annual event that offers more than 175 educational sessions for career and leadership growth, unrivaled opportunities to network with 7,000 peers and access to the nation's top thought leaders. Visit www.ache.org/Congress for more information.
