Institutional Authorization
Western Governors University has met the requirements of Utah Code Annotated Section 13-34a-203 to be a registered post-secondary school required under 34 C.F.R 600.9 to be legally authorized to offer its programs in Utah.

Licensure Pathway
Candidates applying for a teaching license in Utah do so through the approved licensure pathway. Information on the different licensure pathways is available in the licensure handbook. Complete details on licensure requirements in the state of Utah as well as information on applying using the approved licensure pathway can also be found in the licensure handbook.

Educational Prerequisites
WGU’s education preparation programs satisfy the applicable educational prerequisites for professional licensure in Utah for the following licenses:

<table>
<thead>
<tr>
<th>WGU Program</th>

<td>School Leadership</td>
</tr>
</tbody>
</table>

*Advanced programs are for already licensed teachers who want to add an additional teaching area or field to their licenses (or a separate license for Educational Leadership). These programs are not intended for aspiring teachers seeking initial licensure.

The following program is not available in Utah:
- BS Science Education (Middle Grades) – Utah does not issue a Middle Level Science endorsement as the initial endorsement on a Utah license.

Consumer Complaint Information
Students can refer to this information regarding the complaint process for those attending WGU in Utah.

Military Information
Utah offers a licensing exemption as well as expedited processing for military personnel and spouses. More information is available at this link.
